

Inter Library Loan

Inter Library Loan (ILL)

The Central Library offers inter-library loan service to its users for the books not available in the Central Library. Library by procuring them from other libraries through DELNET services .Under the program, the photocopies of research articles are exchanged on requests amongst several libraries.

Readers who want to get books from DELNET should send their request for required books through e-mail and same e-mail will be forwarded to DELNET. Readers have to pay to cost of courier charges of both sides. Hard copy of requested e-mail duly recommended by HOD has to submit in library.
